

# January Reshuffle

SAT. 26/1/2008 : 12 till 4

This years theme is the  
**Common Good**

## Open Space

There will be some smaller spaces for folk if they want to have a wee meeting discussion for moments of inspiration and last minute organisation

## Radical Independent Book fair

The RIB is a meeting place, a videotec, and where you can drop off for a coffee as well as stocking a variety of books you don't see many in many other places

## Common Good Workshop

The Common Good is what we put in for the benefit of everybody. Come and learn better about what it is and what's happening to it

## Document FILM FESTIVAL

Document are the Human Rights Film Festival held every year. They will be showing some shorts and some footage from their last event.

## Green Space Workshop

The issue of green space and the disappearance of much of it from our neighbourhoods should be a concern to us all

## IN THE CAFE

Broth Mix will be busy in the cafe knocking up something hot and healthy to eat. Try some CUBE cola or some freedom coffee. Meet up here

## In the Big Hall

A load of things to do with the kids to how to become more active in your community. It will not be dull and boring, it will have interesting things for old and young, to try and do.

## Galgael

Galgael build boats and do woodcraft and masses of other things. Find out about signing up for some training

## Sunny Govan Radio

You can also get training at sunny G. Radio and make your own program. Come along and find out how

## Common Good Games

Learn to play games, not just watch them on telly. Start your own Common Good Game. Take some pictures and put it on the Common Good website

## MadLab for Kids

Solder electronic circuits and experiment making your own goo and more...

## Cardboard club for Kids

Make stuff out of cardboard, build towers then knock em down. (Grown ups to)

## Electron Club

Do cool things with computers. Make a sound recording or a jingle for Sunny Govan Radio. Linux and free software
