

Notes for a peoples atlas of:

# Glasgow:

## Why maps?

Because maps are a visual tool for sharing information with others. Because they can be produced by many people and combined together to tell stories about complex relationships. Because maps are never finished and only tell part of a story that can constantly be expanded upon. Because we cannot know where we are going if we do not know where we are from.

LEGEND

---

A rectangular box containing the word "LEGEND" at the top, followed by a horizontal line, and then a large empty space for drawing or writing.
